Project Description

USAID/Malawi seeks to transform its approach to delivering development assistance, investing in the creativity and resourcefulness of local communities and, thereby, enable them to drive their own development.

Localworks, annotated bibliographies (1)

- (1) Summarize literature reviews to strengthen USAID's understanding and ability to work more with local communities, traditional authorities, and faith-based organizations;
- (2) Identify unpublished qualitative information regarding key populations (adolescent mothers, out of school youth,), in coordination with USAID/Malawi's monitoring and evaluation team throughout the Mission;
- (3) Summarize qualitative literature identified; and
- (4) Identify and summarize recommendations for increasing USAID/Malawi staff understanding of user needs through ongoing project implementation.
- (5) Other duties, as time permits.
